

THE CEDAR FEDERATION – GOVERNANCE FOR 2021-2022

Terms of Reference

General

1. The Federation Governing Body (FGB) will operate at all times in accordance with the requirements of the Education Acts; the School Governance Regulations; the Local Authorities Scheme for Financing Schools and all other relevant legislation.
2. The governance structures and operating arrangements set out in this document will be reviewed annually by the FGB. They are underpinned by the specific policies; standing orders; codes of practice and other delegations of Ifield and King's Farm Schools (I&KFSs).

Governance Structure and Membership

3. Whilst the Federation Governing Body as a whole remains responsible for the Governance function of the Federation, in The Cedar Federation Model there are three distinct areas of work delegated by them.

The Governance structure and number of meetings each school year is set out in **Appendix A**.

In addition to the main FGB are three committees:

- Leadership, Strategy and School Improvement Committee
- Finance & Resource Management Committee
- Teaching, Learning & Assessment Committee

The proposal (**in Appendix A**) is that there are “up to” six meetings in a school year for the Finance & Resource Management and Teaching, Learning & Assessment Committees in recognition of the workload associated with covering two schools. The reality of course may be that these Committees are able to effectively conduct business with less than six meetings.

4. The key responsibilities of each committee are shown in **Appendix B** and membership of each committee in **Appendix C**.

General Principles

5. All matters which can legally be delegated to Committees should be delegated.

6. Governors should be able to indicate their preferences for Committee membership, as described in paragraphs 9-11 below, but agreement of membership will be a function of the FGB. It is open to the FGB to co-opt additional members to individual committees.

7. All Governors will, in liaison with the Headteachers of School of I&KFSs, develop a link with classes in each school. The nature of the link to be agreed between the Governor and each Head of School.

8. In addition to the School Plans for I&KFSs there should be an overarching Federation Strategy. The Federation Strategy will form part of each of the School Plans which sets out the Federation's overall vision, aims, and objectives for both schools along with how and when these will be achieved and associated responsibilities for delivery.

Appointment of Governors to Committees

9. Governors will be asked to indicate which individual responsibilities they are prepared to take on to be presented to the FGB for approval at the Autumn meeting.

10. Leadership, Strategy and School Improvement Committee will produce a recommendation, based on overall FGB needs, for membership of individual Committees. This is to be presented to the FGB for approval or amendment at the Autumn meeting.

11. The Chair of Governors can appoint new Governors to Committees between annual meetings, after discussion on preferences.

Budgetary Timetable

12. The budget is driven by the Federation Strategy and School Plans for I&KFSs and follows the Financial Year Planner :

- **Autumn and Spring Meetings**
Committees consider areas of expenditure taking into account the relevant sections of the I&KFSs Plans. Costed proposals will be presented to the Finance & Resource Management Committee, who will recommend affordable proposals to the FGB.
- **Summer**
Committees consider areas of expenditure taking into account the relevant sections of the I&KFS Plans. When the Local Authority has informed the Schools of the funds delegated for the Current Year, the Finance and Resource Management Committee, at the Budget Meeting, considers areas of expenditure taking into account these and other items of recurrent income and expenditure for the preparation and approval of each Schools Budget for that Year and adoption by the FGB.

13. Subsequent changes to funding or costed expenditure proposals will be taken into account by the Finance & Resource Management Committee through adjustments to the relevant (I or KF) School Budget by virement or other procedures authorised by the FGB.
