

24th June 2020

Dear Parent/Carer

UPDATES

We hope our families are continuing to keep safe and well.

Transition

We are writing to inform you of the transition arrangements in preparation for next academic year. We fully appreciate transition will be different this year due to the Coronavirus, but we hope to prepare your child as much as possible by conducting the following steps prior to the summer holidays commencing:

- Every pupil will receive a transition pack, including a social story and photos of class teams to provide visual aids for your child.
- Virtual tours will be shared via the school website for each key stage, including videos of your child's new teacher.
- You will receive a telephone call from your child's new teacher before the end of term 6, so that they can introduce themselves to you.
- A FAQ's document will be shared on our website to support new parents and their child in readiness for a new school.

Parents Evening

Your current child's teacher will be contacting you via the telephone this term to share and discuss your child's annual report that will be sent home before the end of term. There will also be an opportunity for an interim review of your child's EHCP short term targets detailed on their provision plans.

Achievements Evening

Teachers are nominating pupils for well-deserved awards to mark their achievements and progress this academic year. We will be awarding pupils with certificates and these will be presented to all pupils either via a door step visit or if your child is attending school they will receive their award during a small ceremony in the last week of term.

Yours faithfully

Mrs A Birch
Executive Headteacher

Miss M Jones
Head of School
