

Workshop: What's in the community?

8th May 2026

9.30am – 11.30am

Ifield SMILE, Cedar Avenue, Gravesend, DA12 5JT

We are delighted to invite parents and carers of to our “What’s in the Community?” workshop, where you can explore the range of support available in the community.

This workshop will cover:

- The different levels of support (universal, additional, intensive and specialist).
- The role of social care, early help and family hubs.
- We will signpost to services in the community who can support with a whole range of difficulties such as mental health, bereavement and relationship difficulties.
- Parents and carers will also have the opportunity to share any services they have found beneficial.

We want you to leave the session feeling confident about the support options available for your child and family, and reassured that the right help is in place.

To book a place contact Hannah Bayley at: hbayley@ifield.kent.sch.uk

Unfortunately, there is no parking permitted on site but there is parking available in the surrounding roads.
