

Ifield School's Newsletter

Maddie Arnold-Jones, Headteacher

June 2023

For more news and information please visit our website: www.ifield.kent.sch.uk

Dear Ifield Families,

I hope our families have found the recent term 6 events special and meaningful. It is always so wonderful to experience our annual events with our pupils, alongside their families. Our pupils' talents are endless and this month's newsletter addition, illustrates some of the incredible skills our pupils and students demonstrate not only in school, but out in the community.

I hope that reading your child's Annual Report has provided you with a sense of pride and joy, reflecting on all the fantastic learning and progress they have made this academic year. Parents' Evening enables you to ask any questions regarding your child's report and provides parents and teaching staff the opportunity to review your child's short term targets detailed on their Provision Plans. This year, parents have been given a Learning Pathways document and Assessment Information booklet. If you have been unable to attend Parents' Evening this year, please liaise with your child's current class teacher, so that you can receive this information before the end of the school year.

Please note, there is still time to complete the Annual Report online feedback form, and as always, your feedback is highly valued.

Following applications received from Year 11 students, I am delighted to announce our Head Girl, Atiya and Head Boy, Michael. Both students consistently uphold Ifield's values and are excellent role models to all pupils. Congratulations to you both, we are very proud of you!

Head Girl and Head Boy Appointments

Thank you all for your continued support.

Best wishes,
Maddie Arnold-Jones

Sports Day 2023

On 19th Jun, Ifield School hosted its 2023 Sports Day which saw many enthusiastic athletes from Early Years and Key Stages 1 to 4!

The sun was shining, for what was a spectacular event thanks to all the hard efforts and determination shown by our fantastic pupils. The event was helped greatly by Sports Leaders from Ifield Sixth Form as well Swan Class supporting the Primary Sports Day in the afternoon. A massive thank you to all those involved in the organising, leading and supporting on the day.

We also held the wonderful Sense Sports Day which showcased a variety of the personalised activities which our Sense pathway learners experience at Ifield School. Finally, a big congratulations to our three Spirit of the Games winners, Leo, George and Eddie.

Claire Visits Buckingham Palace

Claire Keys, a Teaching Assistant in Willow Class was invited to attend a Garden Party at Buckingham Palace on 9th May 2023. Claire received the invitation after being nominated for services to children for her part in scouting and supporting her local scouting group of beavers, scouts and explorers through the COVID-19 pandemic.

Claire also delivered activity packs every month, ran weekly online sessions and even camps at home. She was nominated by Laura Trott, MP for Sevenoaks District.

Congratulations Claire, so well deserved!

Player of the Year Award and Season!

Antonio, a student at Ifield Sixth Form not only has extensive knowledge about the players and managers of the Premier League but he is also a skilled player himself. Antonio has been playing football this season for Gravesham Borough Youth Football Club and has received Player of the Year Award and Player of the Season.

Antonio has also been invited to train with 'Charlton Athletic Disability Counts' team next season after being spotted by a scout during a Gravesham Borough game where he scored from a half volley!
