General Information:

Welcome back! We hope you had a lovely summer. We are looking forward to completing lots of activities linked to our new topic which is 'A Walk in the Countryside.'

Homework and contact:

Please share books with your child every day.
Please support our use of PECs by practicing at home as often as possible.
The Home/School Journals are in place for us both to write in so we can keep each other up to date about your children.
If you have any questions please contact the school office or speak to one of the team when dropping off or picking up.

Ideas for home:

- Take a drive out to see what our local countryside looks like and use key vocabulary/Makaton to embed these words.
- Take a walk in a local country park such as Shorne or Jeskyns.
- Visit Gravesend town and talk about how it is different to the countryside.

<p>Foundations for Literacy</p> <p>This term we will be exploring sensory stories linked to our topic 'A Walk in the Countryside.' We will explore the sounds and sights of the natural world around us.</p> <p>We will explore mark making with a range of natural tools and resources.</p>	<p>Foundations for Maths:</p> <p>This term we will be focusing on the passing of time and how that relates to ourselves. We will explore night and day and our daily routines as we settle into a new class with new timetables and routines to get used to. We will explore height and length too looking at tall trees and long branches for example.</p>	<p>Understanding the world</p> <p>We will be exploring natural objects linked to our topic through sound, sight and touch.</p> <p>We will continue to encourage the pupils to engage in self chosen exploration of the environment and learn about the world around us along the way.</p>	<p>Motor Skills</p> <p>We will be developing our hand eye coordination by picking up and manipulating small natural objects, learning that these are not safe to put in our mouths.</p> <p>We will be developing our stamina when going on longer walks and managing uneven surfaces such as grassy hills and muddy puddles.</p>
<p>Art/Design</p> <p>The term we will be exploring our creativity on a large scale using different body parts and tools using some natural resources such as mud.</p>	<p>Fun With Foods</p> <p>In Rowan Class we will explore how edible substances can be fun. This is aimed at supporting those pupils who find food/eating an anxiety inducing experience. We will link food to our topic and have lots of fun along the way as we play, touch, smell, smear, cut, roll and use our whole bodies to explore food.</p>	<p>Therapies</p> <p>Rowan Class will be accessing</p> <ul style="list-style-type: none"> • Cleverfingers • Write from the start • Gong Therapy • Therapeutic Music • Brushing • Compressions • Sensory Circuits • SLIC support • OT support <p>as required following observations and Assessments by our therapists</p>	<p>PSHE (Personal, social and health education) and RSE</p> <p>This term we will play lots of social games in small groups, developing shared attention and turn taking. We will embed the new lunchtime and snack time routines that will be different to those last year.</p>
<p>Physical Education:</p> <p>PE will be on Wednesday mornings this term. Many of these sessions will take place outside so please ensure your child has weather appropriate clothing to join in.</p> <p>Swimming will be on Thursdays in the school pool.</p>	<p>Communication/Language</p> <p>Personalised Speech and Language targets will be created to enable early communication. These include initiation, nursery rhymes, Curiosity Programme, Attention Autism, EHCP targets, 1-1 interventions, and Intensive Interaction.</p>	<p>PE Enrichment</p> <p>The pupils will have PE Enrichment on Tuesday afternoons. This term we will be visiting the school woodlands.</p>	<p>Music</p> <p>Pupils will be exploring Caribbean percussion instruments and developing their own musical targets within the topic. Pupils will also participate in Makaton singing and signing within all aspects of their curriculum this term.</p>
