

Jungle Monkey

Sensory Bottle

You will need:

Monkey Cut-Outs

Cooled boiled water

Green food colouring

Green glitter glue

7 to 10 green pipe cleaners

Bottle

Strong glue

Sticky tape (optional)

Scissors

Method

1. Cut some of the pipe cleaners into different length pieces, leaving some of the pipe cleaners at full length.
2. Fill the bottle halfway with cooled boiled water.
3. Add a few drops of green food colouring to the water.
4. Squeeze approximately 2 tablespoons of green glitter glue into the bottle. Put the cap on the bottle and shake the bottle to disperse the glitter glue.
5. Remove the cap add the pipe cleaners to the bottle.
6. Fill the bottle up to the top with water.
7. Squeeze glue onto the inside of the bottle top and secure the lid onto the bottle. Allow time for the glue to dry. You may also like to tape around the lid of the bottle.
8. Cut out the Monkey Cut-Outs and glue them onto the bottle. You may wish to tape over them with sticky tape to further secure them.
9. The bottle is now ready for the children to play with.
