Dear Parents/Carers

We hope you had a wonderful half term and enjoyed the glorious sunshine.

The government's announcement on Thursday 28th May, indicated that as a country we have met the five tests that were set out at the beginning of lockdown and therefore schools are being asked to open to more pupils.

The safety of our pupils and staff continues to be our highest priority. Following our letter dated 19.5.20, which is on our school website, we would like to reassure parents that we are continuing to carefully plan and prepare for more pupils to return to school on 8th June.

Thank you to all parents/carers for completing the survey sent last term. In line with our risk assessments and government guidelines, those parent/carers who have completed the survey wishing that their child returns to school unfortunately does not automatically guarantee your child will receive a place from 8th June.

We will contact you directly by email by Wednesday 3rd June if your child has a place from 8th June and will provide further information in line with our re-opening procedures.

Yours faithfully

Mrs A Birch
