

Thursday – English – Reading

Task 1

Click on the link to watch BBC Newsround. If you can't use a device, Newsround is on CBBC at 8.15am and 4.20pm. Try to watch it then.

Talk to people at home about what you watched. What is happening in the news today? If you want a big challenge, make some questions for the people at home and quiz them like we do at school. You can choose the prize.

Task 2

Read 2 or 3 articles on the Newsround website. Talk about them. What do you think? How do you feel about what you have just read?

Task 3/ Extension

Find your favourite book. Ask someone to read it with you. Try to read it on your own. If it is tricky, sound out the letters and ask the person reading with you to help you figure out the words.
