Support your child in following the instructions and using the template to draw around.</p> <p><u>Activities</u> All abilities Make a Christmas Card</p>

Tuesday

Maths

LO: To be able to solve problems with addition and subtraction.

Starter

Share the Addition and Subtraction Word Problems Power Point. Help you child work through the problem examples. They will need to write a number sentence to solve the problem. E.g. $6 + 7 =$ Then try the activity below.

Activities

Lower Ability - Addition Safari Themed Problems

Middle Ability - Addition and Subtraction Word Problem Cards

Higher Ability - Addition and Subtraction Word Problem Cards

English

LO: To be able to retell the Christmas story

Starter

Recap on the Christian Christmas nativity story by sharing the Nativity Power Point.

Activities

Lower ability - Match the labels to the correct part of the nativity scene.

Middle ability - Cut out the pictures and stick them in the correct order so the story makes sense.

Higher ability - Write a sentence for each picture. Don't forget to use a capital letter and a full stop.

History

LO: To begin to understand why food was rationed during the war.

Starter

Share the Power Point Rationing with your child and discuss why it was necessary to ration food during the war. Next look at the appropriate level Rationing Information Sheet and read through with your child. Then look at the questions and encourage them to answer them verbally.

Activities

Very Easy - Print out the Rationing Information Sheet CIP version and the Comprehension Questions CIP version.

Lower Ability - Print out sheet 1 and 2 of the Rationing Information Sheet and sheet 1 of Rationing Comprehension Questions.

Middle Ability - Print out sheet 3 and 4 of the Rationing Information Sheet and sheet 2 of Rationing Comprehension Questions.

Higher Ability - Print out sheet 5 and 6 of the Rationing Information Sheet and sheet 3 of Rationing Comprehension Questions

Wednesday

Maths

LO: To be able to recall the times tables.

Starter

We have been practicing our times tables this term. We have learned to use multiple addition to help us. E.g. $3 \times 2 =$ written as $2 + 2 + 2 =$. Your child may need to use a 100 square to help them solve the multiplications. This has been included in the resources.

Activities

Please note: The files below have multiple sheets. Please print out what you need.

Lower Ability - Christmas Multiplications. Print out sheet 1 - 2x times table.

Middle Ability - Christmas Multiplications. Print out 2s, 5s and 10s sheet.

Higher Ability - Christmas Multiplications. Print out the 3s, 4s and 8s sheet.

PE

LO: To practise coordination and balance.

Starter

The following video is a fitness version of the 12 days of Christmas. This involves arm and leg movements. If your child is unable to do the leg movements. They can join in by doing the arm movements. This will help them develop control and coordination.

You can find the video here:

<https://www.youtube.com/watchsheet?v=mLMKfA0r4i4&feature=youtu.be>

Activities

All Abilities - as above

Life Skills

LO: To be able to read the time on an analogue clock

Starter

We have been learning how to read the time to O'clock, half past, quarter to and quarter past the hour. Your child can practise telling the time using this interactive

game by following this link

https://mathsframe.co.uk/en/resources/resource/116/telling_the_time#

Activities

Lower Ability - Reading the time to the hour and half hour.

Middle Ability - Reading the time to the hour, half hour and quarter hour.

Higher Ability - Reading the time to the nearest five minutes.

Challenge: Reading time to the nearest minute.

Thursday

Maths

LO: To know what each digit represents in a number.

Starter

This term we have been learning about place value. The children have learned the value of each digit e.g. Thousands, Hundreds, Tens and Units (Higher Ability) Hundreds, Tens and Units (Middle Ability) and Tens and Units (Lower Ability). Below are some colouring activities to practise these skills.

Activities

Lower Ability - Christmas 2-digit colouring activity

Middle Ability - Christmas 3-digit colouring activity

Higher Ability - Christmas 4-digit colouring activity

English

LO: To be able to write in sentences using capital letters and full stops.

Starter

We are going to write a letter to Santa.

Activities

Lower ability - Print off page 2. Encourage your child to use the words around the edges of the page to help them.

Middle ability - Print off page 3. Encourage your child to use the words around the edges of the page to help them.

Higher ability - Print off page 4. Encourage your child to think of their own ideas.

All abilities: remind your child to read through their sentences checking that the sentences make sense and they have used capital letters and full stops.

PE Enrichment

Cosmic Kids Yoga

LO: To be able to practise coordination and balance.

Starter

This is a festive version of Cosmic Kids Yoga. Click on the link below and join in.
