We are going to explore the sensations of ice and snow. Here is the recipe to create snow dough:

Snow Dough

Ingredients:

- *1 cup baking soda
- *1/2 cup cornstarch
- *3/4 cup water
- *a drop of peppermint extract
- *iridescent glitter

Directions:

In a saucepan over medium heat, combine the baking soda, cornstarch, water, and peppermint extract. Stir until a soft dough forms. Allow to cool. Sprinkle glitter over the dough and knead to combine. Snow dough can be stored in an air-tight container.
