People at School

There are lots more important people who help us at school.

Can you think of someone?

Do you know what their job is?

Teachers

Teachers teach you, they help you learn and they look after you at school.

They plan lessons, prepare resources, create displays, look after the classroom, mark and assess children's work and manage behaviour. They meet with parents and carers, other people from school and outside school, make sure you're progressing and go to staff meetings and training. They also plan trips, events, invite visitors in and help other adults in school.
