

## Science

**LI: To practice sorting litter into recycling bins.**

I can recognise symbols on different recycling bins.

I can sort litter into appropriate recycling bins.

- Read again *The Messy Magpie story*. Then discuss *All about recycling* PowerPoint.
- Discuss the Smart Board presentation: *Contrasting images clean and with litter*.
- Encourage your child to identify different recycling bins and their purpose. (See *Recycling bins* worksheet).
- Sort out different litter at home into the appropriate recycling bins. Take photos.

Create a paper bin for your house out of a cardboard box. Remember to decorate your bin and label it using the appropriate recycling symbol.
