

The Lost Sheep

A shepherd had 100 sheep.
He cared for them very much.

He watched over them in case any animals came to attack.

Every evening he took them back to the sheep fold and counted to make sure they were all there.

One evening, the shepherd only counted 99 sheep.

The shepherd was very worried and went out to look for his lost sheep.

He searched and searched.
Where was his sheep?

Finally, he found it!
It had got trapped amongst some rocks.

The shepherd carried his sheep home and made sure it was safe.

The shepherd was so happy, he threw a party to celebrate!
