

## Topic Week 4

### King Kong: A beast or just a big gorilla?

In all the movies about King Kong, he was referred to as the 'Eighth Wonder of the World' and was taken from his island environment into the city surrounded by skyscrapers and buildings.

Is he a beast? Is he really bad?

Watch the trailers for both the original movie and the newer updated version. Both films focus on the anger and upset seen in the gorilla but why do you think he is like that?

**Remember**, film trailers are designed to be exciting so make you jump and can be a little scary – please let someone know if you feel worried by any of what you see and stop watching if it upsets you at all.

Your task this week is to try making your own 'Kong' either on an island or in the city on a skyscraper. You can use the ideas from the trailers and the photos below.

I look forward to seeing your awesome creations. You can send photos in to [office@ifield.kent.sch.uk](mailto:office@ifield.kent.sch.uk) or share them in our class catch up on Friday.

Have fun,

Mrs Hargood 😊
