

Life Skills Week 5

Train journeys

Where would you like to visit?

It is fantastic to be able to travel by train and visit interesting places around our beautiful countryside. A good way to explore is on the train as you can look at the passing scenery on your way to your destination too.

Your task this week is to research a place to visit and then how much it would be to get there by train. You will also need to see what time the train leaves to go and which train you would need to get home again.

For example; I would love to visit Margate beach.

I need to find out which is the nearest station to the beach and how I get there from my local station.

What times the trains travel and how long it will take me to get to the station to start my journey.

I need to know how much a ticket will be and if there are certain times I have to travel to use the ticket.

The link below will help you with Southeastern Trains.

[Cheap Train Tickets, Rail Times & UK Train Fares | Southeastern \(southeasternrailway.co.uk\)](https://www.southeasternrailway.co.uk)

I look forward to reading about your exciting journeys. You can email the information you have researched in to homelearning@ifield.kent.sch.uk or share them in our class catch up on Friday.

Have fun,

Mrs Hargood 😊
