Choose the work that is appropriate for the ability of your child.

Monday

Science

LO: To begin to understand how to eat healthily

<u>Starter</u>

Share the lesson presentation Healthy Eating. Talk about how all animals have basic needs - air, food and water. Then discus how we need to eat a range of foods to keep healthy and how we can eat more of some foods than others. Share the Sample sheet Healthy Eating Food Journal and talk about what changes could be made to make the diet healthier. Then complete the activity below.

Activity

Lower ability - Sorting Cards Healthy Eating

Middle and higher ability - Complete the Healthy Eating Journal Evaluation.

Food Technology

LO: To be able to prepare ingredients to make a pizza

Starter

This a quick recipe for making pizzas using pitta bread as the base. You can use different toppings if you do not like those in the recipe. Follow the recipe 'Quick Pitta Pizzas' and talk about the different ingredients and how they need to be prepared.

Talk about why it is important to be hygienic when cooking and how to take special care when using knives for cutting.

Resources

Quick Pitta Recipe Sheet

Chosen ingredients for making pizzas.

Life Skills

LO: To be able to tie laces

Starter

We are learning how to tie laces. If you do not have a shoe with laces you can use a piece of card with punched holes and a string threaded through. Here are some ideas for templates.

Tuesday

Maths

The maths has been divided into different abilities. Please follow the links for your child's ability level.

Lower Ability

LO: To be able to count in 10s and 1s

Starter

Click the following link to access today's learning video: https://vimeo.com/500467998

Activities

Then complete the Tens and Ones activity sheet.

Middle and higher ability

LO: To be able to draw pictograms

Starter

Click the following link to access today's learning video: https://vimeo.com/501673699

Activities

Then complete the draw pictograms (1-1) activity sheet.

English

LO: To be able to add 'ed' to root words.

Starter

Look through the example 'adding endings to root words (-ed) on the sheet. Then complete the activity. Check that you have used a capital letter, full stop and your letters sit on the line. If you can use joined handwriting.

Activities

Lower ability - Complete the 'Getting Started' section of the adding -ed activity sheet

Middle ability - Complete the 'Getting Started' and 'Try these' section of the adding -ed activity sheet

Higher ability - Complete all sections of the adding -ed activity sheet

Modern Foreign Languages

LO: To learn some everyday language in French

This term we are finding out more about France and the language spoken there. Click on the link: https://www.bbc.co.uk/teach/supermovers/ks1--ks2-mfl-french-greetings-with-ben-shires/zdpdvk7 and find out how to greet people in French.

Wednesday

Maths

The maths has been divided into different abilities. Please follow the links for your child's ability level.

Lower Ability

LO: To be able to represent numbers to 50

Starter

Click the following link to access today's learning video: https://vimeo.com/500468562

Activities

Then complete the representing numbers to 50 activity sheets.

Middle Ability and High Ability

LO: To be able to draw pictograms 2, 5 and 10

Starter

Click the following link to access today's learning video: https://vimeo.com/504480875
